If I Had a Parenting Do-Over Jonathan McKee  
2017-02-01 Ever wish parenting came with a do-over button? "Here's where I messed up. . ." Whenever I say those words during my parenting workshops, you can hear a pin drop. Parents are on the edges of their seats. "And here's what I'd do differently next time. . ." That's when every pen in the room begins writing furiously. Let's face it. Hindsight is 20/20. If you ever find yourself saying "I wish I had a do-over. . ." You're not alone! Join author and youth culture

expert, Jonathan McKee, as he shares from his own personal parenting experiences of raising three kids, while making purposeful, effective tweaks along the way. Delivered with a refreshing blend of humor and vulnerability, the author's candid style and real-world application will equip you with solid, helpful practices you can actually use in your own home. With chapters like "Let It Go," "Press Pause," and "Tip the Scales," McKee provides the honest answers you're seeking as you parent your kids.

The Growing Sweater Jason J. Marchi  
2014-09-30 Granny Quigley has knitted a sweater that grows in size every time she washes and dries it. Granny's granddaughters, Ashley and Morgan, find a unique and delightful solution to

*In the Middle of the Mess Study Guide* Sheila Walsh 2017-11-07 In this six-session video-based Bible study (DVD/digital video sold separately), bestselling author Sheila Walsh shares a practical method she has learned for connecting with God and leaning on his strength in the midst of trials. The first step in this process is being vulnerable and welcoming God into the innermost hurt. From that place of honesty, we can begin to form a daily relationship with Christ through confession, prayer, and meditation on Scripture. As we tap into God's strength and build up a godly community to support us, we are equipped with new spiritual defenses to help us withstand the enemy. We are ~~able to~~ <sup>able to</sup> [able to](https://www.yankeerino.com)

persevere in the midst of challenges and see how God is working through those struggles. Thriving--not merely surviving--becomes our goal, and we find freedom as a child of God who is fully known, fully loved, and fully accepted. Throughout the study, Sheila bares her heart by sharing the hardened defenses that kept her from being fully known by God--including those that bubbled up after the recent loss of her mother. She reveals how entering into this safe place with God and practicing a daily connection with him has since saved her from the devil's prowling attacks. Participants in the study will learn how to... Acknowledge their brokenness and their journey through it Form a daily, practical relationship with Jesus that is honest and

healing by intentionally using the spiritual practices of confession, prayer, and meditation Understand the importance of fostering a small group of friends with whom they can build a safe community and reveal intimate struggles Put down the lies they tell themselves and pick up the truth that only God provides Speak powerful prayers out loud that kill shame and allow hope to flourish from within As Sheila says, though we will never be completely "fixed" on earth, we can celebrate the truth that we are being saved continually through Christ. Sessions include: Brokenness Is the Beginning Discovering Our Authentic Identity Daily Practices with God Finding a Safe Place on Earth Strength for the Battle Fully Known, Accepted, and

**Organic Mentoring** Sue Edwards 2014 We are experiencing a mentoring crisis today. One key reason is that too many women cling to an outdated formulaic idea of what mentoring is all about. When we hear the word "mentoring" we conjure up a picture that fit our experience decades ago. Then we look in the mirror and don't see an adequate mentor staring back at us. Our preconceived ideas about what today's young women want in a mentor convince us we are not qualified to be mentors--but we are wrong. What we don't realize is that younger women today are far more likely to want a relationship with that woman in the mirror than the conjured-up perfect mentor in our head.

**Organic Mentoring** explores foundational issues that explain why beloved but outdated mentoring methods are no longer effective. The book looks at the cultural changes and fast-paced digital advancements that shape young thought and behavior but weaken the link between generations. It walks through the new values, preferences, ideas, and problems of the next generation and how these issues impact mentoring. Then the authors guide the reader through landmines to avoid and approaches that work today.

**The Purchaser's Guide to the Music Industries** 2005

**The Art of Coaching** Elena Aguilar 2013-03-04 Hands-on resources for new and seasoned school coaches This practical resource offers the foundational

*Skills Learned from

tools needed by new coaching educators, as well as presenting an overview of the knowledge and theory base behind the practice. Established coaches will find numerous ways to deepen and refine their coaching practice. Principals and others who incorporate coaching strategies into their work will also find a wealth of resources. Aguilar offers a model for transformational coaching which could be implemented as professional development in schools or districts anywhere. Although she addresses the needs of adult learners, her model maintains a student-centered focus, with a specific lens on addressing equity issues in schools. Offers a practical resource for school coaches, principals, district leaders, and other

administrators Presents a transformational coaching model which addresses systems change Pays explicit attention to surfacing and interrupting inequities in schools The Art of Coaching: Effective Strategies for School Transformation offers a compendium of school coaching ideas, the book's explicit, user-friendly structure enhances the ability to access the information. *Making Money Making Music* Quint Randle 2002 Regardless of talent, most musicians turning pro must play cover gigs to make their hard work pay off. This practical book gives artists step-by-step guidance for achieving financial success with a cover band: how to start or join one, choose the right covers, land the gigs, handle promotion, use sound and lighting systems, and

*My Slave's Brutal JOI Manual* Ashley Adams  
2018-02-06 My Slave's Brutal JOI Manual is the transcript-turned-novella of a 32-minute POV audio from the author Ashley Adams. The spoken word audio is also available on Amazon.com under the title "A CBT BDSM Facesitting Jerk Off Session". Yes, it is a mouthful. It's actually a lot more than a mouthful. Ashley gushes in your mouth over and over again as you stroke it for her. It's non-stop CBT fetish jerking instruction complete with Ashley's stroking orders, spanking orders, swallowing orders, and castration threats. She loves to threaten her slaves her with castration when they don't perform. Or even

if they do perform. The 22-year-old ebony starlette, Ms. Adams, walks you through a long and painful masturbation session which includes groping, slap-grabbing, smooth-stroking, and smacking your balls in several different specific ways. At one point, she has you flipper-smack your testicles up at your knuckles while slamming your fist down on your shaft. That one gets intense. It all begins with you taking off your clothes, lying on your bed in just your underwear, and waiting for Ashley's permission to strip off those undies and go bare balls nude in front of her. Ashley looks you up and down and licks her lips and then begins to guide you, your dick, and your balls through a marathon of edging, stroking, milking, and ballbusting. She will later

guides your tongue and mouth too as she gets naked with you, and has you imagine her sitting her precious pussy right down on your face and dripping all over you as you continue to follow every one of her sordid whims. It was certainly meant as an audio, as it was an ad lib performance from a horny young Ashley, but it is enjoyable as a reading as well. We recommend the audio primarily so check out A CBT BDSM Facesitting Jerk Off Session on audio, only on Amazon.com.

Marshall Eriksen (Jason Segel), Robin Scherbatsky (Cobie Smulders), Lily Aldrin (Alyson Hannigan), and Barney Stinson (Neil Patrick Harris). ... The series begins in 2005 with Ted (Josh Radnor) as a single, 27-year-old architect living with his two best friends from his college years; Marshall Eriksen (Jason Segel), a law student, and Lily Aldrin (Alyson Hannigan), a kindergarten teacher and aspiring artist. ... Bonus features include commentaries on seven episodes, How We Make Your Mother (17:10), two music videos: Robin Sparkles's Let's Go To The Mall (3:17) and The Solids' Hey Beautiful (3:51), three How It Really Happened scenes (5:28), Gag Reel (7:10), and an Easter Egg. ... Bonus features include commentaries on seven

episodes, Series Retrospective (2:42), Lily & Marshall's Honeymoon Videos (10:37), Cast Favorites (4:59), Behind the Scenes of We're Not From Here (5:43), six How It Really Happened scenes (8:33), two music videos: Marshall Eriksen's You Just Got Slapped (1:52) and Robin Sparkles's Sandcastles in the Sand (3:39), Ted Mosby Is A Jerk Audio Track for The Bracket, and Gag Reel (11:12). There is absolutely nothing that isn't thoroughly covered in the book. It is straightforward, and does an excellent job of explaining all about How I Met Your Mother in key topics and material. There is no reason to invest in any other materials to learn about How I Met Your Mother. You'll understand it all. Inside the Guide: How I Met Your Mother

bold reflection on American history, African American resilience, and the human capacity for love and perseverance in the face of soul-crushing madness."—The Washington Post "A history told with brilliance and tenderness and fearlessness."—Jill Lepore, author of *These Truths: A History of the United States In 1850s South Carolina*, an enslaved woman named Rose faced a crisis, the imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag with a few precious items as a token of love and to try to ensure Ashley's survival. Soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley's granddaughter Ruth embroidered this family history on the bag in spare yet haunting

language—including Rose’s wish that “It be filled with my Love always.” Ruth’s sewn words, the reason we remember Ashley’s sack today, evoke a sweeping family story of loss and of love passed down through generations. Now, in this illuminating, deeply moving book inspired by Rose’s gift to Ashley, historian Tiya Miles carefully unearths these women’s faint presence in archival records to follow the paths of their lives—and the lives of so many women like them—to write a singular and revelatory history of the experience of slavery, and the uncertain freedom afterward, in the United States. The search to uncover this history is part of the story itself. For where the historical record falls short of capturing Rose’s, Ashley’s, and

Ruth’s full lives, Miles turns to objects and to art as equally important sources, assembling a chorus of women’s and families’ stories and critiquing the scant archives that for decades have overlooked so many. The contents of Ashley’s sack—a tattered dress, handfuls of pecans, a braid of hair, “my Love always”—are eloquent evidence of the lives these women lived. As she follows Ashley’s journey, Miles metaphorically unpacks the bag, deepening its emotional resonance and exploring the meanings and significance of everything it contained. All That She Carried is a poignant story of resilience and of love passed down through generations of women against steep odds. It honors the creativity and fierce resourcefulness of people who pro

guide to uncovering the many layers of one of the world's most exciting crafts. This book weaves valuable editing principles together with the robust Avid workflow, delving deeply into efficient editing techniques and concepts. In an easy-to-read style, you'll encounter detailed step-by-step instructions for hundreds of Avid procedures, and more than 500 images and screen captures make complex concepts easy to grasp. You'll soon begin to know the system in and out, all while improving your overall editing technique and skillset. Geared toward beginning and intermediate Avid editors, this book guides you through both narrative and documentary editing projects. The accompanying DVD provides professionally

shot footage for you to edit, giving you a hands-on, learn-as-you-go experience.

The Synthesizer Mark Vail 2014-02 Electronic music instruments weren't called synthesizers until the 1950s, but their lineage began in 1919 with Russian inventor Lev Sergeyevich Termen's development of the Etherphone, what we now know of as the Theremin. The past century has seen remarkable developments in synthesizers, documented in the first chapter of this book by a historical look at the most important instruments and how they advanced methods of a musician's control, of sound generation, of improved capabilities for live performance, of interfaces that improved the musician's interaction with the instrument, and

groundbreaking ways to compose music. Chapter two covers the basics of acoustics and synthesis, including descriptions of individual synthesizer components and how they affect the generation of sound and the production of music. Today's synthesizer industry covers a vast range of devices, from affordable to expensive workstations, from analog to digital to hybrid forms of sound generation, from the expanding universe of software instruments to the vigorously revived world of modular synthesizers, from state-of-the-art all-digital instruments to those that function directly with analog machines of the past, and from synthesizers and controllers sporting traditional interfaces such as the organ- or piano-style keyboard to those that appeal to

musicians in search of novel approaches to making music. Chapter three addresses many of the valuable considerations to make when shopping for synthesizers. The final two chapters outline strategies noted and successful synthesists use to program, compose and perform with, and record the ultimate electronic music instrument.
