1997-05-19 Benedict Arnold always carried things too far. As a boy he did crazy things like climbing atop a burning roof and picking a fight with the town constable. As a soldier, he was even more reckless. He was obsessed with being the leader and the hero in every battle, and he never wanted to surrender. He even killed his own horse once rather than give it to the enemy. Where did the extremism lead Arnold? To treason. America's most notorious traitor is brought to life as Jean Fritz relays the engrossing story of Benedict Arnold -- a man whose pride, ambition, and self-righteousness drove him to commit the heinous crime of treason against the United States during the American Revolution. "A highly entertaining biography illuminating the personality of a complex man."

You Want Women to Vote, Lizzie Stanton? Jean Fritz 1999-02-15 This biography of Elizabeth Cady Stanton is as spirited as the women's rights pioneer herself. Who says women shouldn't speak in public? And why can't they vote? These are questions Elizabeth Cady Stanton grew up asking herself. Her

father believed that girls didn't count as much as boys, and her own husband once got so embarrassed when she spoke at a convention that he left town. Luckily Lizzie wasn't one to let society stop her from fighting for equality for everyone. And though she didn't live long enough to see women get to vote, our entire country benefited from her fight for women's rights. "Fritz imparts not just a

sense of Stanton's accomplishments but a picture of the greater society Stanton strove to change. Highly entertaining and enlightening." — Publishers Weekly (starred review) "This objective depiction of Stanton's life and times makes readers feel invested in her struggle." — School Library Journal (starred review) "An accessible, fascinating portrait." — The Horn Book
