The British Nanny and her Billionaire Employer (He Wanted Me Pregnant!)
(Romantic Erotica) Victoria Wessex
2014-01-09 (8,000 words, female point of view. Adults only) British nanny Kate has spent a year looking after billionaire Jered's kids...unaware that since his divorce, her handsome employer's been seeing her in a new light. But when she's caught in the rain and soaked through, Jered sees her strip off for a shower and his

lust becomes too much for him. She's shocked when he seduces her...especially since he's her first. What Kate doesn't know is that Jered wants more than just to take her. The posh Brit is about to get a lesson from an American man who knows exactly what he wants...and what he wants is for her to carry his child.

Courageous Dreaming Alberto Villoldo
2009-03-01 Modern physics tells us that we're dreaming the world into being with every thought. Courageous Dreaming tells us how to dream our world with power and grace. The ancient shamans of the Americas understood that we're not only creating our experience of the world, but are dreaming up the very nature of reality itself—that is, "life is but a dream." When you don't dream your life, you have to settle for the

nightmare being dreamed by others. This book shows how to wake up from the collective nightmare and begin to dream a life of courage and grace, a sacred dream that shamans throughout time have known and served. Alberto Villoldo reveals ancient wisdom teachings that explain how to birth reality from the invisible matrix of creation; and reveals how we can interact with this matrix to dream a life of peace, health, and abundance. He shows us that courage is all that is required to create the joy we desire!

The Perils of Pleasure Julie Anne Long 2008-01-29 A rescued rogue . . . Scandal has rocked the city of London. Colin Eversea, a handsome, reckless unapologetic rogue is sentenced to hang for murder and, inconveniently for him, the only witness to the crime disappears. Then

again, throughout history, the Everseas have always managed to cheat fate in style: Colin is snatched from the gallows by a beautiful, clever mercenary. A captivating captor. . . Cool-headed, daring Madeleine Greenway is immune to Colin's vaunted charm. Her mission is not to rescue Colin but to kidnap him, and to be paid handsomely for it. But when it becomes clear that whoever wants Colin alive wants Madeline dead, the two become uneasy allies in a deadly race for truth. Together, they'll face great danger—and a passion neither can resist.

Algorithmic Foundations of Robotics

IX David Hsu 2010-11-18 Robotics is at the cusp of dramatic transformation. Increasingly complex robots with unprecedented autonomy are finding new applications, from

medical surgery, to construction, to home services. Against this background, the algorithmic foundations of robotics are becoming more crucial than ever, in order to build robots that are fast, safe, reliable, and adaptive. Algorithms enable robots to perceive, plan, control, and learn. The design and analysis of robot algorithms raise new fundamental questions that span computer science, electrical engineering, mechanical engineering, and mathematics. These algorithms are also finding applications beyond robotics, for example, in modeling molecular motion and creating digital characters for video games and architectural simulation. The Workshop on Algorithmic Foundations of Robotics (WAFR) is a highly selective meeting of leading

researchers in the field of robot algorithms. Since its creation in 1994, it has published some of the field's most important and lasting contributions. This book contains the proceedings of the 9th WAFR, held on December 13-15, 2010 at the National University of Singapore. The 24 papers included in this book span a wide variety of topics from new theoretical insights to novel applications.

Social Inequality and Social Stratification in U.S. Society

Christopher Doob 2015-08-27 Social Inequality – examining our present while understanding our past. Social Inequality and Social Stratification in US Society, 1st edition uses a historical and conceptual framework to explain social stratification and social inequality. The historical scope gives context to each issue discussed and allows the reader to understand how each topic has evolved over the course of American history. The authors use qualitative data to help explain socioeconomic issues and connect related topics. Each chapter examines major concepts, so readers can see how an individual's success in stratified settings often relies heavily on their access to valued

resources—types of capital which involve finances, schooling, social networking, and cultural competence. Analyzing the impact of capital types throughout the text helps map out the prospects for individuals, families, and also classes to maintain or alter their position in social-stratification systems. Learning Goals Upon completing this book, readers will be able to: Analyze the four major American classes, as well as how race and gender are linked to inequalities in the United States Understand attempts to reduce social inequality Identify major historical events that have influenced current trends Understand how qualitative sources help reveal the inner workings that accompany people's struggles with the socioeconomic order Recognize the impact of social-

stratification systems on individuals and families

Pack Up the Moon Rachael Herron
2014-03-03 Pack Up the Moon is a poignant novel about loss, lies and the unbreakable bonds of family, from the author of the bestselling Eliza's Gift and the Cypress Hollow novels. Three years after a horrible tragedy took her son and tore her family apart, artist Kate Monroe is beginning to pick up the pieces of her life. However at a gala showcasing her triumphant return to the art world, Kate's world is rocked again, when the daughter she gave up for adoption twenty-two years ago introduces herself. Pree is the child Kate never knew and never forgot. But Pree has questions that Kate isn't sure she's ready to answer. For one thing, Kate never told Pree's father,

her high school sweetheart and ex-husband, Nolan, that they had a daughter. For another, Kate hasn't spoken to Nolan for three years, not since the accident which took their nine-year-old son from them. But to keep Pree from leaving forever, Kate will have to confront the secrets that have haunted her since her son died, and discover if the love of her family is strong enough to survive even the most heartbreaking of betrayals...

The Forger's Spell Edward Dolnick
2008-06-24 Profiles the dramatic art hoax through which a small-time Dutch painter conned a reviled Nazi leader by creating works that impersonated those of famed artist Jan Vermeer, a seven-year deception during which the forger hid his mediocre artistic abilities through psychologically manipulative practices. 30,000 first printing.

Swing Your Sword Mike Leach
2011-07-07 Newly-minted Mississippi State head coach Mike Leach tells his captivating story—from rural Wyoming to law school to the upper echelons of the SEC. *SWING YOUR SWORD* is the first ever book by one of the most fascinating and successful coaches in sports today. A maverick who took an

unlikely path to coaching through law school, Mike Leach talks about his unorthodox approach to coaching and the choices that have brought him success throughout his career. A lover of the game who started creating formations and drawing his own plays as a kid, Leach took his Texas Tech Red Raiders to numerous bowl games, achieving the #2 slot in national rankings and being voted 2008 Coach of the Year before being unceremoniously fired at the end of the 2009 season. The scandalous nature of his dismissal created a media frenzy and began a personal battle between Leach and his accusers that remains unresolved.

Eternally North Tillie Cole 2013

Natasha Munro is your typical twenty eight year old girl, well your typical twenty eight year old English loud 'n' proud Geordie; curvy, fun and a whole load of fab-u-lous. Her life is all going to plan - good job, great friends, close family and a loving boyfriend - until an unexpected event stands everything on its head. Nursing a broken heart and decked head-to-toe in tasselled chaps and rhinestones, Natasha and her flamboyant fairy of a gay best friend, Tink, uproot from their North-Eastern nest, throw caution to the wind and embark on a new life

together in Canada. Canada - Land of the Rocky Mountains, maple syrup; oh, and an 'in-between movies' Hollywood mega-star. Enter infamous bad-boy of the big screen, Tudor North - Tudor 'bloody' North! Tudor is towering, brooding and gorgeous, and he is harbouring a deep secret. His outward demeanour is cold and intimidating, and with it he successfully keeps everyone at arm's length; that is everyone except a certain Ms. Munro. It soon becomes clear; what with her smart mouth and lusciously ample arse, that Natasha proves more than a match for our emotionally-distant mega-star. Will Natasha settle into her new life in Canada? Will she ever find her fairytale happy ending? Can a movie star and an ordinary girl from England ever really make it work? Or will the secrets lurking in

Tudor's past scupper their chance of happiness?Eternally North is addictive, funny and heart-warming; a fast paced comedic journey of self-discovery; unyielding friendship and, of course, it would not be complete without a generous sprinkling of good old-fashioned British 'slap-and-tickle'.WARNING: Contains a foul-mouthed voluptuous Brit; a self-confessed and self-promoted Friggin' Fantastic Fairy; and an abundance of tattoo-smothered muscles nicely wrapped up in one gorgeous bad-boy package.

Gentlehands M. E. Kerr 2013-12-17

Sixteen-year-old Buddy Boyle makes a shattering discovery about his family in this powerful and poignant novel

by award-winning author M. E. Kerr Buddy Boyle lives with his parents and younger brother in a small house on a half-acre of land in undesirable Seaville, New York. Skye Pennington spends her summers on the opposite end of town on five acres with a view of the ocean. Buddy's dad is a police sergeant; Skye's is the head of a multi-million-dollar industry. But none of that stops Buddy and Skye from falling in love. To impress her, Buddy takes Skye to visit his aristocratic grandfather in Montauk. Frank Trenker is Buddy's mother's father, a man she never talks about. Just as Buddy feels he's getting to know his estranged grandfather, reporter Nicholas De Lucca shows up. For three years, he's been searching for a notorious Nazi war criminal known as Gentlehands. When De Lucca

uncovers a shocking connection to Buddy's grandfather, Buddy refuses to believe the accusations. One of M. E. Kerr's very best novels, Gentlehands tells a spellbinding story of love, loyalty, and the family you thought you knew. This ebook features an illustrated personal history of M. E. Kerr including rare images from the author's collection.

The Last Mermaid Shana Abé 2008-04-29 Shana Abé has entranced countless readers with her passion-filled novels of adventure, intrigue, and romance. Now the author of *The Secret Swan* delivers a gift from the sea: three hauntingly beautiful tales connected by a legend, a locket, and a love beyond time. 531 a.d.: The tiny island of Kell is said to be enchanted, inhabited by an extraordinary creature who comforts

shipwrecked sailors passing into the next world. Prince Aedan of the Isles believes in no such nonsense—until he awakens on Kell itself and meets the sensuous siren who rescued him from the sea. 1721: Ronan MacMhuirich, Earl of Kell, is the target of an unlikely assassin: Leila, a mysterious woman from an exotic land. But his irresistibly beautiful would-be slayer is in just as much danger as Ronan when she falls for this man with a magic of his own. 2004: What do you do when you inherit a Scottish island you never knew existed—and find yourself pursued by a handsome stranger who wants to buy it from you? That's what happens to Ruri Kell when she accepts Iain MacInnes's invitation to visit her birthright, and listens to a proposition as sinfully tempting as everything else

about him. Three seductive love stories, three passionate couples, all linked by one of the most romantic myths of all.

Introduction to English Phonetics

Richard Ogden 2017-02-06 The second edition of this distinguished textbook introduces undergraduates to the concepts, terminology and representations needed for an understanding of how English is pronounced around the world. Assuming no prior knowledge, this textbook guides the reader through the vocal tract and explains how the sounds of speech are made, offering an accessible and expanded introduction to areas including transcription, vowels and acoustic analysis. As far as possible, it uses naturally-occurring conversational speech so that readers are familiar with the

details of everyday talk (and not just the careful pronunciations presented in dictionaries.) The book also includes a new concluding chapter that works through a piece of spoken data to show the reader how a more complete phonetic analysis can be conducted. Examples are taken from around the English-speaking world, including North America, Australia, New Zealand and varieties of British English. The book takes an open-minded approach to what sounds of English might be significant for making meaning, and highlights the significance of word meaning, morphology, sociolinguistics and conversational interaction in phonetic analysis.

Cataract City Craig Davidson

2014-02-06 Cataract City, a dead-end border town overlooking Niagara

Falls. Owen Stuckey and Duncan Diggs are fast friends as kids - united by wrestling, go-karts, and metal bands - but as they grow into young men, their once simple affection competes with the tensions created by their respective circumstances. Owen, born to relative privilege, seems destined to get out of the city, while Duncan, honest but hard, is hurtling along the rails towards a future working the assembly line at the soulless biscuit factory, The Bisk. As Duncan becomes more and more desperate to escape, he finds himself at opposite ends of the law to Owen, and as the coils of the city creep ever tighter around the two friends, they find themselves struggling not to break free, but simply to survive.

*Tony Northrup's Adobe Photoshop
Lightroom 5 Video Book: Training for
Photographers* Tony Northrup

2014-11-26 Combining the benefits of video training and book learning, Tony Northrup's Lightroom 5 Video Book gives you over 12 hours of video and 250 pages of written content. When you can set aside the time, start the videos on a smartphone, tablet, or PC, and work alongside Tony & Chelsea in Lightroom. When you'd rather learn away from your PC, or you just want to quickly look something up, search the eBook or flip through the paperback book to find the information you need. Similar video training costs well

over \$120 or more, or worse, requires you to pay a monthly membership fee that might cost you thousands.

Similar books cost over twice this amount. You also get over 150 Lightroom presets, which usually cost more than \$100, and access to our private Lightroom group on Facebook so you can ask questions and get feedback. Tony covers every aspect of Lightroom in-depth, but structures his teaching so that both beginner and advanced photographers can learn as efficiently as possible. If you just want a quick start, you can simply watch the first video or read the first chapter and you'll be organizing and editing your pictures in less than an hour. If you want to know more about a specific feature, switch to that video or flip to that chapter in the ebook. If you want to

know everything about Lightroom,

watch the videos and read the book
from start-to-finish.
