and when she meets Elliott in the elevator later that night, she makes sure he's intrigued enough by her to ask her to go with him to the party he no longer has a date for. Thrown together by circumstances he'd never have imagined, Elliott isn't sure what to think about Simone. She's nothing like the women he normally dates, but something about her draws him in until he can't stop himself from wanting her... until their goodnight kiss becomes something harder. Harsher. Simone responds to his rough hands as no woman ever has, and Elliott's not ready to pursue what he's always told himself is wrong.

Crosstown Crush Cara McKenna 2015-09-01 The first in a new series from the "wicked-hot"* author of *Hard Time* and *Give It All* explores the

fantasies of a daring married couple—and those of a stranger invited to play along in their scandalous little games... When he's working, Mike Heyer is all business—every inch the alpha male, with the hard, capable body to back up his persona. But at home he can be a different man entirely, harboring appetites only his wife gets to glimpse... When Samira first learned of her husband's fantasies, she was reluctant, even alarmed. But after witnessing the way they set him on fire, she yielded, and happily indulged. As their games have intensified, so has the rush. And now so has the risk—they're poised to take Mike's indecent desires to the next level, by opening their bed to a sexy, brazen stranger. A man seeming custom-made to grant every last one of Mike's

and Samira's sinful wishes. Welcoming someone new into their lives was always a dangerous proposition, but the couple imagined if anything was at stake, it was their privacy...not their hearts. *New York Times Bestselling Author Jaci Burton

literature. Each author was chosen, Professor Sutherland explains, because his or her books are well worth reading and are likely to remain so for at least another century. Sutherland presents these authors in chronological order, in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer's work. Taken together, these novelists provide both a history of the novel and a guide to its rich variety. Always entertaining, and sometimes shocking, Sutherland considers writers as diverse as Daniel Defoe, Henry James, James Joyce, Edgar Allan Poe, Virginia Woolf, Michael Crichton, Jeffrey Archer, and Jacqueline Susann. Written for all lovers of fiction, *Lives of the Novelists*

succeeds both as introduction and re-introduction, as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings.

2019-08-11 From New York Times bestselling author Megan Hart comes an emotionally charged novel that explores the secrets and lies that can destroy a family...forever. Home isn't always the place you go because they have to take you in. Sometimes, home's the place you can't escape, no matter how far or fast you run. Janelle Decker hasn't been home in a long, long time. She ran away years ago, barely in front of the tragedy that rocked the small town of St. Mary's, Pennsylvania. Only one other person knows the part Janelle played in what happened back then. One man who took the blame for himself. Gabe Tierney stayed behind to face the terrible

consequences of the accident that left one younger brother permanently disabled and the other doing whatever he can to avoid them all. When Janelle returns with her twelve-year-old son to get her life in order and take care of her dying Nan, it should be easy for her and Gabe to rekindle their former friendship – except that Gabe can't forgive Janelle for abandoning him, and Janelle can't reconcile her part in what happened back then. There is no moving forward until you stop yourself from looking back, but will Janelle and Gabe be able to face their lives ahead? Or will their secrets and the lies they told keep them prisoners of their shared past? “A tense look at dark secrets and the redemptive power of truth.” – Kirkus Reviews *Vanilla* Megan Hart

2019-08-12 I pay strangers to sleep with me. I have my reasons...but they're not the ones you'd expect. For starters, I'm a funeral director taking over my dad's business. Not exactly the kind of person you'd expect to fork over cash for the intimacy and urgency only skin-to-skin contact can create. Looking at me, you wouldn't have a clue I carry this little secret so close it creases up

like the folds of a fan. Tight. Personal. Ready to unravel in the heat of the moment.

Unsurprisingly, my line of work brings me face-to-face with loss. So I decided long ago that paying for sex would be one of the best (and most arousing) ways to save myself from the one thing that would eventually cut far too deep. But Sam was a mistake. Literally. I signed on to "pick up" a stranger at a bar, but took Sam home instead. And now that I've felt his heat, his sweat and everything else, can I really go back to impersonal? Let's just hope he never finds out about my other life... Originally published in 2009
