Azura Ghost Essa Hansen 2022-02-01 One man and his sentient starship are all that stands between the multiverse and its total destruction in the second book of Essa Hansen's brilliant, mind-bending space opera trilogy perfect for fans of *The Expanse* and *A Long Way to a Small Angry Planet*. Caiden has been on the run for ten years in order to keep his Graven ship out of the hands of his old adversary, Threi. But when a childhood friend he once thought dead reappears to take it, he is lured into a game of hunter and hunted with the one person whose powers rival Threi's; his sister, Abriss. He must unlock the Azura's true potential—which means finally confronting his own mysterious genetic origins. "Unpredictable and strikingly unique, *Azura Ghost* is science fiction without any limits to its imagination. Genre-breaking brilliance!"--David Dalglish, USA Today bestselling author "A blistering crash through bubble universes, seas of the luminous dead, and sleeping alien cities. Liquid-crystal star ships, living machines, reality-cleaving swordplay, and a dynasty whose words command your synapses and cells. Heart-heavy, astonishingly inventive, with language that burns like

plasma. A biomechanical sucker punch of a book. The space opera you've been waiting for."--Micah Dean Hicks, author of *Break the Bodies*, *Haunt the Bones* "Essa Hansen is one of the most imaginative authors in science fiction today, and in *AZURA GHOST* she delivers a thrill ride of a story."-- Michale Mammay, author of *Planetside* "Azura Ghost is a magnificent achievement. Hansen juggles multiple universes as if they were fireballs, without ever dropping a single one. Like the best of science fiction, *Azura Ghost* asks the questions that we often fear to ask ourselves: about the extent of our responsibility in this world, what it means to choose, the limits of empathy, and the inevitability of loss; and like the best of science fiction, it asks them both at the scale of the cosmos, and at the level of a single human heart. The novel's ambition is upheld by soaring prose, which does full justice to the scope of Hansen's imagination. An instant classic." -- Gautam Bhatia, co-ordinating editor of *Strange Horizons* and author of *The Wall and The Horizon*

Whale Talk Chris Crutcher 2009-09-22 "A truly exceptional book."—Washington Post There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a

pool. The good news is that only one of them can swim anyway.

Bestselling author Chris Crutcher's controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in *Whale Talk*. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide."—Washington Post

T.J. Jones hates the blatant preferential treatment jocks receive at his high school, and the reverence paid to the varsity lettermen. When he sees a member of the wrestling team threatening an underclassman, T.J. decides he's had enough. He recruits some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp. "Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly
