By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens -

so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

Sedgwick, Twiggy, and The Velvet Underground, or even as a celebrity contestant on Dancing with the Stars. Betsey is also famous for her iconic pink stores (she had 65 shops across the US) and for her habit of doing cartwheels and splits down the runway at the close of her fashion shows. Throughout her decades-long career, she's taken pride in producing fun but rule-breaking clothing at an accessible price point. What they might not know is that she built an empire from scratch, and brought stretch clothing to the masses in the 80s and 90s. Betsey will take the reader behind the tutu and delve deeply into what it took to go from a white picket fence childhood in Connecticut to becoming an internationally known force in a tough, competitive business. The book will feature Betsey's candid memories of the fashion and downtown scene in the 60s and how

she started her own business from the ground up after designing successfully for multiple other companies. She will discuss that business's ups and downs and reinventions (including bankruptcy), and her thoughts on body image, love, divorce, men, motherhood, and her bout with breast cancer. Betsey will be richly illustrated with many of her landmark clothes, fashion sketches, and personal photos--making the book the perfect memento and gift for every girl (of any age) for whom Betsey is, as a recent New York Times profile noted, "a role model still."
